Subject: Timeline for CD cases

Based on the vendor getting an order not later than December 20th, the following is the delivery schedule for the above item:

30,000 Delivery to PMX 3/5
80,000 Delivery to PMX 3/31
90,000 Delivery to PMX 4/18

This schedule reflects the Chinese new year holiday.

I will push the vendor to improve the schedule once we have a firm order in place.
